CLOSED CAMPUS POLICY:

Ecole Pine Grove Middle School operates under a closed campus policy. Students are to remain on campus for the entire school day including lunch recess.

School Visitors

To ensure the safety of our students, **all visitors to the school are required to check in at the office and to wear school identification while on the premises.**

Lunch hour

Students eat lunch in their home room class. Once attendance is taken, they may purchase their lunch from the concession, but must return to their homeroom to eat it. All lunch hour activities will begin at 12:14 and end by 12:44.

For safety reasons, students are to be in the back of the school at lunch time. **The forested area is out of bounds at all times during the school day unless a teacher is using it as a classroom area and is supervising students.**

Caught Doing Something Right

As a reward to students doing well in any area of their school lives, we will be holding draws for prizes. Students are able to earn draw tickets then enter to win.

Students may earn tickets for a number of reasons including academics, showing respect, outstanding effort, helping out. All staff members have tickets they can give out. **Get caught doing something right!!!**

Absence Confirmation Program

Attendance

If students are going to be away from school, due to illness, appointments, etc., **please phone the school.** The office runs its initial attendance report by 9:00 a.m. each morning and begins phoning home to any students who have not already phoned in to report the absence. These phone calls are made to ensure the safe arrival of all of our students. **Your help in speeding up this process is greatly appreciated.** The office is open from 8:00 a.m. to 4:30 p.m. on school days. The phone number is 780-723-5929.

Attendance & Punctuality -Regular attendance is a crucial component of academic success, and it is primarily the student's responsibility to catch up. The office excuses lates to offset doctor's appointments, etc.

Lateness - Please note that the front door will be open at 8:00 every morning. Students are welcome to wait just outside the office area until 8:10. **All other doors will remain locked during the day to ensure the safety of all students.** The first period of the day starts at 8:35. Any students that arrive late will need to get a late slip from the office.

Parent Conferences

Meet the Teacher night in October, and one Fall (two evenings) and one Spring (one evening) parent/teacher interview night. There is no need to schedule these types of interviews. They take place in the atrium on a first come-first served basis. Students are welcome to accompany parents to the interview evenings.

Pyramid Response to Intervention (RTI)

At PGMS, we believe that the fundamental purpose of our school is to **achieve high levels of learning for all students**; therefore we have implemented the RTI program to help all students excel. The best intervention is PREVENTION. The RTI block is 35 minutes in length and takes place after lunch Monday through Thursday. Students not involved in the small group instruction have the opportunity to complete homework, to read in an established area under the supervision of a staff member or participate in a experiential focused class.

Student Support Services

The school provides a variety of services to support students in their personal, social and academic development.

Family School Liaison

School Liaison staff will provide supportive services for students and families experiencing need or requiring assistance. Contact the school if you require assistance from our FSL worker.

Inclusive Education

All students at École Pine Grove Middle School are part of the regular homeroom program.

Student Conduct

Students are entitled to, and have the right to, an education that recognizes and meets their needs; occurs in a safe and caring environment; and encourages them to be proud and productive citizens in their community. While no set rules can ever take the place of individual responsibility, students are expected to follow reasonable rules which have been established for the benefit of the school community by the Provincial Government and the community. At Pine Grove, it is expected that a student shall conduct themselves according to **section 12 of the School Act**. Failure to comply with school rules may result in a student being suspended from school and the possible referral to the School Board for expulsion.

- (a) Represent our school in an outstanding manner.
- (b) Arrive on time to all classes, with all materials, (binder, textbook, writing utensils, etc.), attend school regularly and be prepared to learn.

- (h) Dress appropriately following the school dress code.
- (i) Follow all the rules and regulations teachers and the school have set, both inside and outside of the classroom.
- (j) Work to keep a positive relationship with parents, teachers and friends.
- (k) Show consideration and respect for others and their property.
- (l) Encourage positive attitudes, cooperation, and good sportsmanship.

Smoking & Tobacco Products, Alcohol or Substance Abuse

All schools in Grande Yellowhead Public School Division are "tobacco-free" areas. Tobacco, chewing tobacco, electronic or vapour tobacco substitutes, drinking or possession of intoxicating beverages, (this includes "Energy drinks" like Red Bull, etc.), or possession or use of illegal drugs in the school or on school grounds is prohibited. Nor shall a student be under the influence of same in school or on school property. This regulation also applies to all students involved in extra-curricular activities for the duration of the activity, whether on school property or not. Transportation to and from that activity is deemed part of that activity. Violation of this rule may result in a student being suspended from school, possible removal from the sports team or club, and/or the possible referral to the School Board for expulsion.

Progressive Discipline Program

École Pine Grove Middle School operates under a progressive discipline program. This means that with each visit to the office for an offence, the consequences for the infraction will progressively be increased. Our discipline philosophy is meant to correct the misbehavior as well as provide support and guidance to the student. Students who frequently are sent to the office may lose the privilege of attending extra-curricular activities and field trips.

STUDENT VISITORS POLICY

Our policy is based on the premise that we think all children are special, however student visitors can often cause a disruption to the educational process and the safe and caring operation of our school. It is therefore necessary to limit student participation during the school day to only students currently enrolled at École Pine Grove School.

Surveillance Cameras

The school has surveillance cameras to record activity in school buildings and on school property, and may use images and recorded information for disciplinary and other appropriate purposes. Camera's record images in the office, hallways and perimeter of the building.

Dangerous Goods

The following are considered dangerous to the safety of staff and students in a public school and thus, are prohibited from being brought to school: Laser pointers, matches, lighters, ammunitions, and any explosive device including fireworks. Knives and other weapons are also prohibited. This includes replica or toy weapons. **This is a zero tolerance situation** and may result in suspension, or more serious repercussions.

Due to **severe allergy conditions** some staff members and students have, **DO NOT** bring aerosol spray, deodorant spray, cologne, perfume etc. to school. This includes **AXE** sprays or other perfumes. Students who bring these items to school will have them confiscated.

GRANDE YELLOWHEAD PUBLIC SCHOOL DIVISION Threat Assessment Program

Grande Yellowhead Public School Division provides a safe and caring learning environment in all of the division's schools. Part of this commitment involves being prepared to handle emergency situations appropriately and efficiently.

Together with our partners, the Royal Canadian Mounted Police, Alberta Child and Family Services Authority and Alberta Mental Health, we have developed a plan to respond to all situations in which students may be demonstrating behaviours that pose a threat to themselves or others. Any student, parent or staff member who becomes aware of a threat, or has reasonable grounds to believe that there is a potential risk to students, staff or divisional property, shall notify the school principal and/or their designate. Threats may be, but are not limited to, verbal, written, gestures or internet postings. The division requires that all threats or threatening behaviours be treated seriously: all threats or threatening behaviour will be assessed and appropriate interventions and disciplinary actions taken. The purpose of this administrative procedure is to determine how best to support students so that their behaviour does not become hurtful or destructive to themselves or others.

This is intended to serve our students with fair notice that we, as a school community, will respond to all threats. Our goal is to respond to all threats in a professional manner that provides for a healthy and caring learning environment.

"Miss School – Miss Out" Philosophy

We, at École Pine Grove Middle School, believe attendance, punctuality, appropriate behavior and effort at school are essential for a successful year. The students who miss school intentionally, misbehaves, or is excessively late will miss out on their academic education and may also miss out on social functions, athletic activities and field studies.

Reward days will be held periodically for students who are caught up on assignments, who are punctual, and who attend regularly, and have not displayed behavior issues.

GENERAL INFORMATION

School Appearance

The general appearance of a school reflects the behavior and attitudes of its occupants, and is one of the first things noticed by visitors. The students at Pine Grove Middle School have proven in the past to be very helpful in this regard and we would like to have students continue to help by following common-sense guidelines:

- Please place all litter in the trash cans or appropriate recycling bins provided both indoors and outside the building.

- If there is a spill, please do your best to clean it up. Ask a staff member or the custodian for help.
- Consume food and drinks in your classroom or atrium area only during the lunch break.
- Sunflower seeds, dry noodles, and candy necklaces are not permitted in the school.
- Adhere to school rules and classroom/hallway expectations of behavior.
- Wear only shoes with non-marking soles.
- Clean shoes** - students are required to have clean shoes as they enter the school. If students do not have a second pair of shoes, **they must ensure that any dirt is removed prior to wearing the footwear in the school.**

Students must not go without wearing shoes in case of an emergency evacuation during inclement weather.

Toys and other items

We discourage students from bringing toys (including radios, electronic games, roller blades, etc.) to school. These items are often accidentally damaged or lost and this creates problems for the student. The school is not liable for any lost or stolen items/property. Skateboards are to be kept in lockers and **are not be used on school property.**

Leaving School

If a student must leave school before dismissal time to keep an appointment, the parent or guardian is required to come to the school to pick up the student and sign the student out at the office. When a student returns to school before the end of a school day, the student is also required to "sign in."

If a student becomes ill during the day or must leave the school for some unexpected reason, they are required to notify the subject teacher and get permission from the office before leaving the school. In the case of illness, the school will notify parents to arrange for transportation home.

Bus Students

The students on the bus are under the immediate supervision of the bus driver and are thus subject to the rules set by Grande Yellowhead Public School Division. Any infraction of these rules by a student will be documented on a School Bus Incident Report, and parents and school administration will be notified. Students who disobey bus rules may be required to make other arrangements for travel to school. **Parents will be responsible for any damage incurred by the misconduct. Parents are also responsible for ensuring that their child gets to and from school if they are suspended off of the bus.**

Students may ride a bus to visit a friend if permission of the driver is obtained in advance and if the parent has provided a letter of consent. (Board Policy #17)

Parents of bus students must inform **the bus driver and the school** if the students are to change their usual pattern of travel on the bus i.e. riding only one way on certain occasions. Arrangements must be made with the bus drivers involved if children are to ride another bus for some reason. Issues or inquiries regarding transportation can be directed to the transportation department at 780-723-4471.

Parents are asked to ensure that any medical concerns are included. **Please remember to let the school know of any changes that may occur throughout the school term** In the event of an emergency, current phone numbers are essential. Including **an e-mail address** will help us to easily communicate with you in spite of phone or address changes that occur throughout the year.

Library

Students may sign out up to two (2) books at a time. Books may be loaned for two weeks.

Textbooks will also be signed out through the library and will not affect library book sign-out.

Students are responsible for all borrowed library materials. Lost or damaged books must be paid for by the student. Overdue notes will be issued to students.

Lost and Found

School policy stipulates that the school and its staff will not take responsibility for lost or stolen items. **We have a long term (emptied once per month) and short term (emptied every two weeks) lost and found. Items will start off in the short term Lost and Found then move to the Long term Lost and Found before being removed from the school.** Please encourage students to check these boxes frequently. They are located in the Front Foyer.

Parent Advisory Committee (PAC)

The purpose of the PAC is to advise the principal of the school and Board with respect to any matter concerning the relationship between the school and the home and the school and the community.

The PAC actively supports student projects in the school, conducts information forums and advises the school's administration. It is an important link encouraging open communication among students, parents and teacher. The majority of the PAC shall be parents of students attending École Pine Grove Middle School, but may also include staff members, students and members of the community. We encourage everyone to get involved!

Parent Volunteers

The education of our children is a shared responsibility. Parent involvement in children's education has been proven to increase the student's academic success. If you participate in school activities, you show your child that you value what he/she does at school. We would like to match your skills and available time with our needs, in order to accomplish this we ask you to fill out a Parent Volunteer form. We welcome your support and help!!!

Parking

Parents and visitors may park their vehicles in both parking lots (east and west). Reserved handicapped parking is located in the west parking lot. Please refrain from parking in the bus lanes in the East parking lot.

Extra-Curricular Program

There are a wide variety of extra-curricular activities open to students. These vary from time-to-time according to student and staff interests.

School Teams

Team sports may include volleyball, basketball, wrestling, and badminton. Individual sports such as outdoor pursuits, golf and track and field are also open to participation on a seasonal basis. A fee may be required to cover bussing and equipment costs.

Note: Participation in these school teams is subject to the "Miss School, Miss Out" policy and is dependent upon successful completion of school work, positive attitude toward school and good attendance and punctuality.

Students issued one (1) out-of-school suspension or two (2) or more in-school suspensions may be removed from the team. **Participation in any activity is at the sole discretion of the staff supervisor.**

Dress Code

In order to promote favorable attitudes and an appropriate school tone, students must wear clothing in good taste. Please avoid extreme styles of dress and grooming. In general, students are to dress in clothes that are clean, tidy, contain no offensive or improper lettering or slogans, and do not allow exposure of either undergarments or body parts. Staff members have the authority to require a student to conform to the dress code of the school.

In order to maintain a clean gymnasium floor, we ask that all students wear appropriate footwear at all times. **Hats** are **not** to be worn in the school, except on designated "theme" days. In cold weather students should dress for the outdoor temperatures.

Physical Education

In the event of any short term illness or injury for which a student wishes to be excused from a P.E. class, the student is required to provide a parent or physician's note to the class instructor. The note should specify the time frame in which the student will not be participating. The instructor has the option of assigning alternate work for this time. Students are required to bring a complete change of clothing to all physical education classes. This includes shirt and shorts, or sweat suits, sweat socks, and non-marking runners.

The Instructional Program

Report Cards

Report cards are issued four times throughout the school year.

Student's Appeal Procedure

To appeal a grade assigned in any assignment, examination or course, students must follow these guidelines:

- 1) Discuss the grade awarded with the subject teacher.
- 2) If the outcome of this discussion is unsatisfactory, the student may make a written appeal to the principal within two weeks of the date on which the mark was released.

Early Release of Report Cards

If a student is unable to attend school on the designated day, the report card may be picked up at the office later, or will be mailed. Due to time constraints we are unable to release report cards earlier than the identified dates.

Grade Promotion

School administration and teachers will confer on a decision for grade promotion at the end of each school year. Student promotion will be assessed as follows:

- Pass** The student has completed the necessary work and skill development warrants promotion to the following grade.
- Placed** The student has failed to complete the grade requirements but has been placed in the next grade.
- Retention** The student has failed to complete the grade requirements and is required to repeat the grade they are presently in.

Failure in two (2) of the core subjects (Language Arts, Social Studies, Science, Math and Physical Education) will result in placing, rather than passing, the student into the next grade or a possibility of retention in the same grade. Issues regarding retention of students will be made in consultation with parents, teachers and administration. The Principal will have final authority regarding all grade promotion matters.

Dances

School dances are provided and organized by the Parent Advisory Council (PAC). Dance supervisors are required in order to adequately ensure the safety of all students. School dances are open to students of this school and **one** invited middle school guest who is currently registered in a grade 6, 7 or 8 program. Guests must be registered by 3:30 p.m. on the day prior to the dance. Approved passes must be obtained by the student sponsor. The following guidelines will apply to all school dances:

- (a) All coats and bags must be kept in the lockers.
- (b) The school doors will be open for one hour at the start of the dance. Students who leave the dance after this time will NOT be permitted to return to the dance. If a student can not arrive at the dance until after the one hour limit, they should make arrangements for a late pass before 3:30 p.m. on the afternoon of the dance.
- (c) Students whose behavior is deemed inappropriate by the supervisors will be asked to leave. No refund of admission will be given to these students. This applies to all invited guests as well.
- (d) **If a student is inexcusably absent from any class without the school's prior notification or approval, or if they have 2 or more in-school suspensions or one out-of-school suspension, he/she may not be admitted to the dance.**
- (e) Parents will be contacted by a member of the PAC to assist in chaperoning.
- (f) Student attendance at dances may be subject to **regular attendance and acceptable behavior.** Remember, the "Miss School, Miss Out" policy applies to all dances.
- (g) The school dress code applies to all dances.
Parents have a standing invitation to attend all school dances!

Hazing

Hazing is defined as "forcing students to do unnecessary or ridiculous tasks as part of an initiation process", (*Gage Canadian Dictionary*). **Any such activity is strictly prohibited and may result in an Out of school suspension with recommendation for expulsion.** Students are expected to report any knowledge of a hazing activity to the office immediately to help ensure the safety of all students. **Please remember that even if hazing occurs off school property or on a non-school day, it will still be treated as a school incident.**

Fire Drill

Fire Drill Regulations and Evacuation Routes are posted in each classroom. **Tampering with fire equipment is a serious offence and is governed under the criminal code.**

Field Studies

The following guidelines apply to all extra-curricular and co-curricular field trips:

- (a) All trips begin and end at the school parking lot unless previous arrangements have been made by parents in writing. Every attempt will be made to notify parents of expected arrival times when return trips extend into late evening.

- (d) School transportation will be arranged for all approved field trips with the exception of trips within walking distance.
- (e) School rules apply during the trip. A field study is an extension of the school program. Parents may be required to accompany their student on field trips. In these situations, parents will be notified prior to taking the field trip.
- (f) **IF A STUDENT IS A BEHAVIOR PROBLEM IN CLASSES OR AT SCHOOL, A PARENT OR GUARDIAN MUST ACCOMPANY THE STUDENT ON THE FIELD STUDY. ANY STUDENT WHO HAS BEEN A BEHAVIOR ISSUE DURING THE SCHOOL YEAR MAY BE PROHIBITED FROM ATTEND THE FIELD STUDY IF ADMINISTRATION DEEMS IT NECESSARY.**

Liability

Students who damage school property will be asked to pay for repairs, even if the damage was the result of an accident. (Pursuant to Section 176 of the School Act).

Medication

The parents of students on medication are requested to contact the school principal for a description of Division Policy AP313-The Medical Care of Students in School. The school is not to administer any medication to students without following policy procedures.

Cell Phones/Video Cameras

All students are required to complete AP 354 Appendix A and Form 140-01 prior to using any GYPSD computers or Wifi.

GYPSD Administrative Policy 353 requires individual schools to develop appropriate policy regarding the use of "Personal Electronic Devices on School Premises".

École Pine Grove Middle School has developed the following policy:

Students may use electronics, including cellphones:

Before classes begin, morning break, lunch break and after school. Class changes between periods are not breaks and electronics cannot be used during these times.

- **In all areas** of the school **EXCEPT THE WASHROOMS**. Electronics are not to be used for **any** purpose in the washrooms.
- **Safely**. If students are blocking high traffic areas (ie. hallways) or walking while gaming or texting they will be asked to move to another area by a supervisor and will be expected to do so willingly.

Students may not use electronics or cellphones:

- **To take pictures or videos**. The only time pictures or videos will be allowed is when a teacher or educational assistant has given a student permission to do so.
